COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Sachi A. Hamai, Executive Officer-

At its meeting held August 22, 2006, the Board took the following action:

Supervisor Antonovich made the following statement:

“The County has long recognized the tremendous value in utilizing volunteers to assist in the many services and programs we would otherwise not be able to deliver or deliver as effectively to our residents. One Department that tremendously benefits from volunteers is our Sheriff’s Department, particularly during local emergencies and natural disasters. Retired peace officers would be a valuable addition to the Sheriff’s pool of volunteers because of their law enforcement skills and experience. The establishment of a Retired Peace Officer Corps would provide the Sheriff the ability to enhance his existing volunteer program and overall effectiveness during local emergencies and natural disasters.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Yaroslavsky, unanimously carried, the Board approved the creation of a Retired Peace Officer Corps, as described in the Los Angeles County Citizens’ Economy and Efficiency Commission’s attached July 28, 2006 proposal, to enhance the Sheriff’s ability to respond to disasters and local emergencies by utilizing experienced and highly-skilled, retired peace officers.
